Kids' Adventures, Inc. is proud to serve the AXL Academy community. We welcome the opportunity to provide a safe, clean and healthy environment for your children to grow and thrive in. We are committed to supplying the children of AXL Academy a program full of entertaining as well as educational activities.

Program Descriptions 2009-2010 School Year:

The Before and After School Program will provide childcare for AXL Academy students. Our program creates an option for working parents to ensure their children are in a safe environment, engaging in constructive and supervised activities. The program is located at AXL.
